"Nature, mountains, wonderful peace and tranquillity:
this is the right place to listen to and make music
because this is where both musicians and audience are at
their best. It is as ideal as a love affair. And also as rare. I
don't think it's possible to experience Schubert some-
where else in such a wonderful way."

Association of Friends & Patrons of the Schubertiade

The Schubertiade. A festival for Franz Schubert

What began as only a small series of recitals and chamber concerts in 1976, has developed into an annual meeting place for extraordinary Schubert interpreters and enthusiasts from all over the world. A large number of music lovers from the local region also appreciate both the eventful programme and the unique atmosphere at the concerts.

The Schubertiade is a non-subsidized private enterprise. **The Association of Friends and Patrons of the Schubertiade** was founded in 1983 with the aim of promoting the festival and providing it with financial support. We would like to take this opportunity of inviting you to become a member of the association. This will enable you to take advantage of a wide range of membership benefits and, as a true "Schubertian", to spread the idea of the festival beyond the borders of Vorarlberg.

The membership. Your membership benefits

As a **full member** (annual subscription fee EUR 40), you will regularly receive information about the activities of the association and the programme of the Schubertiade. In addition, you will have the chance of attending the lecture programme organized by the association and of participating in the annual meeting.

When great artists perform, the demand for tickets for the Schubertiade concerts far exceeds the numbers available. As a **patron** (annual subscription EUR 170 and upwards) you will be granted a priority option for tickets for all events (provided your order arrives at the Schubertiade ticket office by the deadline stated in the brochure). We would also kindly ask you to note that we can only issue two tickets per patron for widely popular concerts.
