„Nature, the mountains, the wonderful tranquility - this is the perfect place to make and listen to music because both the artists and the audience are in the right mood. It's as ideal and rare as love. I can't imagine a place better suited to experience and enjoy Schubert in such a profound way.“

Valentin Erben, Alban Berg Quartett

„This is a place of miracles.“

The Dallas Morning News

„The names say it all. If you want a crème de la crème festival, this is the one.“

The New York Times

„The Schubertiade has become to serious song what Bayreuth is to Wagner.“

The Independent

„The annual Schubertiade is like a particularly fine Sauvignon Blanc: it is the dry white wine of music festivals, delicate and prestigious, a taste that appeals to the more discriminating palate. Once acquired, though, it can easily become the passion of a lifetime, not to say mildly addictive.“

Association of Friends and Patrons of the Schubertiade

The Schubertiade: A Festival for Franz Schubert

Having started out in 1976 as a small series of recitals and chamber concerts, the Schubertiade has developed into an annual meeting place for the greatest Schubert interpreters and enthusiasts from all over the world, as well as regional music lovers who relish the dense, top-class programme and unique atmosphere.

With the aim of supporting the Schubertiade, which is run without the help of subsidies or sponsors and can therefore claim a special position in today's festival landscape, the **Association of Friends and Patrons** was founded in 1983 and has since been an important factor in the Schubertiade's financial and ideational profile.

We would therefore like to invite you to become a member of our Association and not only profit from the various benefits your contribution will entail, but also pass on the Schubertiade's ideas and values.

Chairman

Membership: Your benefits as a member

Friends (annual contribution: € 40,-) will be kept up to date on all activities of the Association and the Schubertiade programme. Furthermore, you can profit from special offers and will be invited to the annual general meeting.

For many Schubertiade concerts, ticket demand far exceeds the supply. As a **Patron** (annual contribution starting at € 170,-) you will also enjoy ticketing privileges for all events, provided that your order reaches the Schubertiade in time to meet the deadline specified in the relevant season brochure.

Please understand that priority orders for concerts exceptionally high in demand have to be limited to two tickets per event.
